

RKVV Jeka 0 – 5 ESFA England Schoolgirls U15 Eindhoven Tour/Friendly Fixture Monday 18th February 2019

England's Under 15 schoolgirls got their training camp off to the best of starts with a 5-0 win over [RKVV Jeka](#) on Monday evening.

Having travelled most of the day to reach Eindhoven the England starting 11 took a short while to hit their stride but, once they did, they were on the front foot for most of the game.

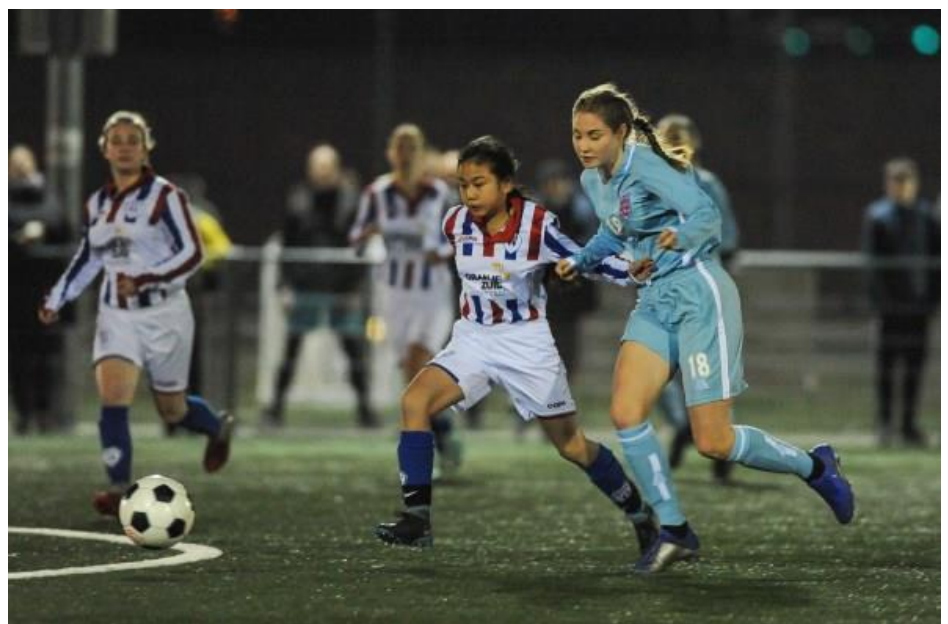

Midway through the half the breakthrough was made when Rebecca Bell stabbed home from 6 yards after the home side failed to clear a corner and it didn't take long for them to double the led when Tiggi Gent fired a well struck shot low into the bottom corner.

Gent almost grabbed another but her strike from a tight angle struck the crossbar but a third soon followed, Georgina Spraggon skipping past the defence to strike home.

At this point the home keeper was being kept busy, making a number of saves to keep the score at 3 but she could do nothing to prevent the 4th just before the break.

A corner for England was cleared only as far as Ellie-Mae Bell who smashed the ball into the net from 12 yards for a 4-0 half time lead and just reward for Bell's first half performance.

Half Time: RKVV Jeka 0 – 4 ESFA England Schoolgirls

With wholesale changes to the team for the second half it was no surprise that clear chances were few and far between in the opening minutes although a missed penalty could have seen the lead increased and the tempo from the girls was certainly showing no signs of a long day of travel.

Talia Sanders and Elizabeth Way looked the most likely to add to the scoreline as the clock ticked down but it was Amelie Darey, commanding the midfield in the second half, who finally struck gold with a shot from

the edge of the area, beating the keeper from 18 yards into the roof of the net.

Full Time: RKVV Jeka 0 – 5 ESFA England Schoolgirls

While there is plenty for the girls to work on in the coming days it was a positive start to their Dutch adventure.
