

FC Eindhoven 0 – 8 ESFA U15 England Schoolgirls

Eindhoven Tour/Friendly Fixture

Wednesday 20th February 2019

The Under 15 girls continued their Dutch adventure with a full day of activity coupled with a convincing win in their second fixture of the tour.

Following an early start for a tour of the Philips Stadium, home of PSV Eindhoven, and a light training session at the PSV training centre it was off to face local opposition in FC Eindhoven.

With the girls starting to bond as a squad on and off the pitch they put in a dominant performance and could have won by a much higher margin but for some off colour shooting.

Rebecca Bell opened the scoring before Elizabeth Way stabbed home from close range just before the half time whistle to end the opening 35 minutes 2-0 ahead.

The second period saw a number of changes to rotate the squad but there were few changes to the pressure on the Eindhoven goal and it was Tiggi Gent who led the way with a double while Rebecca Bell also added to her tally with a second goal early in the half.

Further goals from Rebecca Ferguson, Meghan Harper and Jess Simpson completed a good day's work for the girls.
