

Wyn Bailey

Wyn and her husband Bill, ran the Islington & Camden Schools association with meticulous skill for 60 years and many players owe their football opportunities to this devoted couple. Sadly, Bill passed away several years ago and now Wyn has joined him.

Wyn attended many, many matches over the decades and attended the very first Wyn Bailey Trophy final (a new Inner London Schools FA competition for Year 7 girls, that was introduced in her honour) only a few years ago.

Mike Spinks will be sending flowers and attending Wyn's funeral on behalf of the Association.

We thank Bill and Wyn for their decades of selfless service to schools' football.
