

# PLAYSTATION SCHOOLS' CUP 23/24 LAUNCHES

## THE PLAYSTATION SCHOOLS' CUP IS BACK!

The PlayStation Schools' Cup is back to inspire another generation of pupils to push themselves to reach the next level.

This year, we have loads of ways for your school to get involved and inspire your students through the combination of football and gaming.

## FOOTBALL TOURNAMENT

Our football tournament is already underway with over 5,600 teams taking part. Good luck to all teams, we look forward to seeing who makes it to the finals in May!

## EA SPORTS FC CHAMPIONSHIPS

Our EA Sports FC Championship returns once again for its third year. One of the biggest grassroots esports competitions in the UK, we give schools from all over the country the chance to run their own EA Sports FC tournament, with the winning boy and girl qualifying for the May 2024 live final at West Bromwich Albion's Hawthorns stadium.

If you want to take part in this, complete the survey attached to this email and we'll send you specific instructions to get you set up.

## NEXT LEVEL INSPIRATION

We'll have even more exciting plans coming up throughout the year for your school to get involved with, so follow [@psschoolscup](#) on Instagram, and keep an eye out for emails from the ESFA for ways to get involved.

Looking forward to having you aboard for another successful season!
